

UNITED WE CAN UNITED WE WILL

Help Rebuild Our Community

Even before the pandemic hit, ALICE® (Asset Limited, Income Constrained, Employed) and households in poverty were struggling to afford the basics. The pandemic worsened existing divides and set back ALICE essential workers even further financially. With your support, United Way is working to close this widening gap. Show up #UnitedForALICE.

Give Today: UnitedWayNNJ.org/Donate

6,000

families receive free tax prep
and filing services

20,000

children access quality
early education and
child care

2022 GOALS

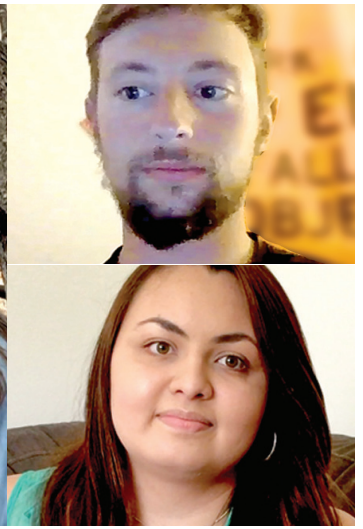

50

caregivers receive
assistive technology

2,300

family caregivers gain
education and supports

UNITED WE DID

760 families received over **\$1** million in emergency financial assistance

"My family and I are very grateful and thankful... This will definitely come in handy during these difficult times." –Jorge, ALICE Recovery Fund recipient

5,600 free tax returns were filed, saving ALICE taxpayers **\$1.5** million in tax prep fees

"Without this service I would have been unable to complete my taxes and receive my refund which I need for my food and expenses. Thank you!" –Zoe, free tax prep client

2,700 volunteers acted for ALICE – from stocking food pantries to collecting school supplies

"I am inspired to act for ALICE because I believe it is the right thing to do." –Gabrielle, volunteer

30 family caregivers received home technology to better manage caregiving and work responsibilities

"Three words describe the impact it has had in our house: Peace Of Mind." –Steven, unpaid family caregiver

\$100,000 in PPE was donated to area child care centers

"I was so grateful to get boxes and boxes of hand sanitizer and masks and cleaning equipment." –Child care provider
