About United In Care

United In Care ensures families can find affordable, high-quality child care they can count on close to home, and providers receive the support they need to build strong businesses. By connecting centers and home-based providers across New Jersey, we create trusted options that offer flexibility, stability, and peace of mind. Parents can focus on their day knowing their children are learning, growing, and cared for in safe, nurturing environments.

All partner providers are registered with the State of New Jersey and accept the state's child care subsidy. Contact your local Child Care Resource & Referral Agency to learn more. You may be eligible for tuition assistance.
